**SYNCHRO SWIM ONTARIO ANNOUNCES INTERN ON STAFF FOR SPRING TERM**

SYNCHRO SWIM ONTARIO is pleased to announce that we have been successful in the recruitment of a new intern for the spring term as an addition to our office team.

We are very happy to announce that Charles Foote, currently a second-year student in the three year Sport Management program at the Humber Institute of Technology and Advanced Learning, will be joining us in January as our Communication and Programs Assistant Intern.

Charles has an extensive and varied background in sport and sport administration and has spent several years with City of Toronto Parks and Recreation. Charles also embraces technology and web design as an avid hobby and is eager to assist us in the launch of our new website.

Please join us in welcoming Charles to the SYNCHRO SWIM ONTARIO team. His first day with us will be Thursday January 19th.
