

Synchro Ontario has just announced their approval of the new Synchro Western Ontario Club. This new Club will be a joint effort within Clubs in Western Ontario (an expansion of BOSS) to allow high level Junior National athletes to train under top level Coaches, swim on a team, while remaining in their region and continuing their education. The high level coaching staff will work under the direction of Yingli Hou, Head Coach of Waterloo and Julie Thaden, Head Coach of Olympium. The team will also have input from former Olympians. Practices will be held at Olympium and Elmira pools with the team coming together a minimum of one day a week.

Update July 29th

The team is starting to take shape! SWO has started receiving registrations for the upcoming season!! Music is being picked and routines are being planned! We are very excited to announce that numbers permitting we will also be running a combo team. If you are interested in more information please get in contact with Kerri Morgan (details below) ASAP. Team training will start in the 2nd half of August.

SWO will be holding a parents meeting on August 14th (7pm) - location TBD. This meeting will be for those that have already registered or those who are interested in learning more about the team for this coming season.

LETS GO SWO!!!!
